## WHAT'S NEW IN 2025?

We're evolving our group user conference format to bring you even more value. This year, you can look forward to the typical in-depth product sessions, live demonstrations, and time with our solution experts – but with an added focus on emergency services strategy sprinkled on top!

The event will continue to transform into a forward-looking conference as we expand to include new products and welcome a broader customer base.

We look forward to bringing you on this journey!

## TECHNOLOGY DEEP DIVES

- The Benefits of Integrated ERP for a 'Complete' Live Picture of your Service (FireWatch)
- Transforming Training & Competency with Intuitive, Integrated Tools (pdrPro / learnPro)
- Specialist Risk Management for Fire (Prevent + Protect, pdrPro/Operational Assurance)
- Standalone & Integrated Approaches to Asset Management (Redkite, FireWatch)
- The Power of Immersive VR & Simulation Solutions (XVR On Scene, plus Expo highlights)

## STRATEGIC SESSIONS

- Welcome and overview of 'The Innovation Landscape'
- Key ES trends, our expanded Group and the 'LPG Way'
- Strategic product vision & roadmap
- Product direction, integrated solutions, and tech innovation
- A storyboard journey through our FRS products and offer
- Featured guest speakers – customer case studies, industry expert presentations (Scottish Fire & Rescue Service, Fire Service College, Burlington Fire Department, Ottawa Fire Department, and more TBC!)
- Ask the expert product panel – Q&A with XVR, pdrPro, learnPro, FireWatch, Prevent + Protect and Redkite

## BREAKOUT TRACKS

- **XVR headline session 1** — An exploration of XVR Expo. Let's dive deep into self-led VR training and our platform redevelopment plan. Demo, roadmap, and discussion
- **XVR headline session 2** – What's upcoming in V.10.3. Interactive workshop and Q&A
- **Other XVR sessions** – We'll workshop on topics such as wildfire, hazmat, and getting the most out of existing functionality
- **pdrPro session** — A focused demo on our enhanced Appraisals features, with drilldown detail and user discovery/Q&A/workshopping
- **learnPro LMS session** — A walkthrough of what's new as we prepare to launch our unified LMS Version 7. We'll showcase key features and enhanced functionality, provide opportunities to get hands-on with the system, and help you prepare for going live
- **Redkite Asset Management session** — Introducing V7.0! We'll reveal our latest release, with a feature-rich UI, enhanced security, and upgraded reporting. We'll also detail essential rollout planning information

## MARKET HALL EXPO

- Mini product demos, as small group sessions, with bookable slots for each solution. Get a better feel for the tech, speak to the experts, and understand how our products would deliver for your organisation
- Network and explore collaborative opportunities with peers as you explore our solution suite
